1 Register with SAP Networked Logistics Hub

You can register with SAP Networked Logistics Hub as an Administrator at Hub, Administrator at Carrier, Parking Space Administrator, or as Container Terminal Administrator.

If you choose [SAP](#) as the owner from the [Owner](#) dropdown, you can register as an Administrator at Hub. If you choose logistics hub as the owner, you can register as an Administrator at Carrier or Parking Space Administrator or Container Terminal Administrator. Only an Administrator at Carrier can subscribe for basic or premium features of the application. By default, an Administrator at Carrier can register the company only as a premium user. This user subscription, however, can be changed to basic. For this, the Administrator at Carrier must select the option from the [Subscription Name](#) dropdown.

To register, you must enter mandatory details such as the first name, last name, organization name, email, owner, and role. When you have registered, you will receive an invitation email. Accepting the invite redirects you to the registration page. Enter your password and access SAP Networked Logistics Hub.

Note

If your customer account is under creation, the message [Creation of customer account in progress. You will be notified once done](#) displays when the application is launched. For more information, see [Launch Applications](#) [external document]
